Dear Sir:

In response to your letter of May 31st, I am enclosing a printed list of coin dealers in this country; almost any of these would come within the scope of your enquiry.

Mr. T. E. Leon, of Chicago, is perhaps nearest to you and I feel sure that you would receive from him the utmost consideration. You may feel at liberty to say that I referred you to him, should you so desire.

Very respectfully yours,

Secretary
